## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Cerritos School is a transitional kindergarten through 6th grade school. With a population of approximately 350 students, Cerritos School represents a diverse population. Approximately 30% of students at Cerritos are English Language Learners. 50% of the school's students are on the free or reduced lunch program. Students are involved in a variety of activities that support the acquisition of the common core standards. The staff is composed of 15 regular classroom teachers, 3 full-time Special Day Class teachers, a special education resource teacher, speech therapist, psychologist, psychologist intern, and full time nurse. Support services at the school include clerical, custodial, tech intern, maintenance, and special education classroom instructional assistants.

Going beyond the classroom, Cerritos offers a variety of programs to help students achieve success. All students participate in the Meet the Masters Art Program, a comprehensive art history, theory, and technique programs that provides art education for teachers and students alike. Savanna School District also offers students enrichment and additional practice of skills in frequent Saturday Academies throughout the year. Our Watch D.O.G.S. (Dad's of Great Students) program enhances safety and promotes male involvement at school. Fathers, grandfathers, step-fathers, and other father figures have the opportunity to volunteer in classroom and school activities throughout the year. Our sixth graders continue to participate in the Cypress Police Department's Positive Action through Character Education Program also known as P.A.C.E. The P.A.C.E. program is designed to enhance awareness, influence choices, and educate students in the areas of Internet safety, social media, peer pressure, bullying, violence, and drug abuse. To challenge the high-achieving fourth through sixth grade students at Cerritos School there is a G.A.T.E. program (Gifted and Talented Education) as well as an opportunity to participate in the Strings Music Masters Program. In cooperation with our surrounding community, partnerships with the Philharmonic Society and the Tiger Woods Learning Center provide additional enrichment opportunities for our students. With the continued strong partnership with the Anaheim Police Department, we can ensure we have updated and efficient safety processes and procedures in place on campus.

It is the mission of Cerritos School, through a partnership with parents and the community, to ensure every child masters their grade level standards-based curriculum in a nurturing and safe environment. Here at Cerritos School, students are encouraged to be successful, life-long learners, prepared to accept responsibilities and challenges that may present themselves in the future. Cerritos School is a community of caring people whose goal is to create a safe and nurturing environment where students feel included, respected and valued. Our dedicated staff is committed to upholding these expectations by being proactive in addressing student needs and concerns. Cerritos School has adopted the Positive Behavior

## 2023-24 School Description and Mission Statement

Interventions and Supports (PBIS) approach to student discipline. Our primary goal is to reinforce positive behavior and prevent discipline problems. To do this we will teach, model and expect students to R.O.A.R. – To be Respectful, be Organized, be Accountable, and be Resilient.

## **A. Conditions of Learning** **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2020-21 Teacher Preparation and Placement

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	18.00	90.00	94.00	95.92	234405.20	84.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	1.00
Vacant Positions	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	0.00	1.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
<b>Total Out-of-Field Teachers</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	5
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The Savanna School District adopted the Benchmark Advance English Language Arts/English Language Development materials in the 2017-18 school year. It is in place in all K-6 classrooms. In 2016, we adopted the Houghton Mifflin, Go Math Series for K-6 students and it is in place in all classrooms. Both of these series are aligned to the Common Core State Standards. In the 2022-23 school year, the Savanna School District adopted the Amplify Science program, which is aligned to the Next Generation Science Standards. We adopted History-Social Science (Harcourt School Publishers) materials in 2007. We expect to pilot new Social Science materials as they become available. Health and Visual and Performing Arts are taught utilizing a variety of instructional materials and strategies.

## School Facility Conditions and Planned Improvements

The staff of Cerritos strives to maintain a clean and safe learning environment for the students. Assessments of the school's aesthetic and safety conditions are made by the principal on a monthly basis, and thorough quarterly inspections are made by the District's Director of Maintenance, Operations, and Transportation. Custodians make routine, daily inspections of all exterior and interior areas of the school. As per SB550 all facilities are in good repair. Modernization projects were completed on the Cerritos campus during the past several years as a result of the passage of Measure N at the November 4, 2008 and Measure G at the June 5, 2012 election. Classrooms and office spaces were enhanced with new furniture, upgraded wall systems, energy efficient dual-paned windows, new energy efficient heating and air conditioning units, new plumbing, electrical, and upgraded roofing. Cerritos School's heating and air conditioning units, lighting, security cameras, classroom projectors, and even irrigation systems are on energy management systems, controlled remotely to ensure that units do not run during times they are not needed. The remodeled student restrooms are 'student friendly' with new plumbing and sewer lines, energy-efficient fixtures, and terrazzo flooring that will last at least another 50 years! Preschool and before-and-after-school childcare programs were relocated to provide better access for parents during hours when the school office is not open. School security enhancements are multi-faceted and include perimeter fencing, security cameras throughout the campus, paging systems, emergency notification systems, enhanced fire alarm systems, and increased security lighting after school hours.

Regular maintenance projects take place to maintain the district's high standards of quality facilities. In the fall of 2015, a Technology Learning Center with 32 computers, a teaching station and flat screen monitors was completed. In the summer of 2016, a second Technology Learning Center with an additional 32 computers with flat screen monitors was added. The school grounds were expanded in the fall of 2017. The entire campus was repainted in 2018 and regular maintenance projects take place to maintain the district's high standards of quality facilities. The primary playground was updated in 2019, along with the addition of a new upper grade playground. All school playgrounds have poured-in-place rubber surfacing designed to provide high levels of safety for students with minimal maintenance requirements. A third Technology Learning Center along with a designated STEM Center and an Outdoor Learning Center were added in the summer of 2019. In fall of 2020, an additional lunch shelter was added to the campus to allow better spacing of students during breakfast and lunch times. While the use of technology to support the instructional program has long been a standard at Cerritos School, each classroom has six desktop computers; in fall of 2021 a technology cart that includes a class set of iPads was added to each classroom. In 2023, Cerritos School transitioned to having a District operated preschool on site.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	50	46	49	48	47	46
<b>Mathematics</b> (grades 3-8 and 11)	45	40	43	42	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

There are many opportunities for parental involvement including, but are not limited to, Back to School Night, Awards Assemblies, Parent/Teacher Conferences, Spring and Fall Carnival, Open House, School Site Council, PTA, and the Watch D.O.G.S. Program. The School Site Council is a ten-person council of parents, teachers, classified staff and the principal who monitor the implementation of the Single Plan for Student Achievement and generally act as an advisory and decision-making body for the school's many programs. Parents are encouraged to participate in the English Language Advisory Committee and District Advisory Committee to provide input and guidance to the school and district. The PTA (Parent Teacher Association) is also an integral part of the school's support services through its work as parent volunteers, as program fund-raisers, and as a school-parent communication resource. The Watch D.O.G.S. (Dad's of Great Students) program enhances safety and promotes male involvement at school. Dads, grandpas, and uncles are encouraged to spend a day with their child at school. All parents are kept informed of meetings and events with our BlackBoard Messaging system, School Marquee, School and District Website, and the hard copy fliers we send home.

## 2023-24 School Safety Plan

Cerritos School has a School Safety Plan, an Emergency Preparedness Plan, and a Crisis Intervention Plan. These three documents cover all aspects of campus safety. The plans are on file and available to all parents as well as the general public. All safety plans are reviewed and updated on an annual basis in a public meeting. The goal is to ensure a safe and non-violent school environment. Additional safety measures include:

- Monthly drills held for fire, earthquake, and/or secure campus scenarios.
- Staff members trained and assigned specific responsibilities for emergency operations.
- CPR/First Aid/AED training opportunities available for staff, yearly.
- Emergency supplies and food and water located in classrooms and at strategic locations throughout the school.
- Perimeter fencing and security cameras.
- Identification and tracking procedure for visitors who may only enter the campus through the school office.
- School-wide paging systems and two-way radios in every classroom.
- School buses have on-board security cameras.
- State of the art bus pass system that tracks students entering and exiting the school buses via bus passes.
- Navigate Prepared Safety system.
