2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Hansen School is a transitional kindergarten through 6th grade school. Hansen's population of 475 students represents a diverse population. Approximately 44% of students at Hansen are English Language Learners. The large majority of these students are Spanish speaking. Nearly 74% of the school's students are on the free or reduced lunch program. Hansen is a school-wide Title I program. Students are involved in a variety of activities that support the acquisition of the common core standards. The staff is composed of 19 regular classroom teachers, 2 SDC mild/moderate teachers, a full-time special education resource teacher, 2 Title I/Rtl resource teachers, 1 speech therapist, a full-time psychologist, and nurse.

Going beyond the classroom, Hansen offers a variety of programs to help students achieve success. Each week, the Nutrition Club supports Hansen's most needy students by providing a backpack full of food to share with their families. Hansen has the continued strong partnership with the Anaheim Police Department to ensure we have updated and efficient safety processes and procedures. Savanna School District has also partnered with local universities to provide social-emotional support, speech and language support, and additional summertime enrichment for students. Hansen School has supported students and parents with resources such as counseling, parenting classes, family camp, school shopping, art classes, and housing support. Savanna School District also offers students enrichment and additional practice of skills in frequent Saturday Academies throughout the year. Through the help of North Orange County Task Force (NOC), the High School "Bigs" program provides mentors for students who need additional support. The Watch D.O.G.S. (Dad's of Great Students) program enhances safety and promotes male involvement at school. Dads, grandpas, and uncles are encouraged to spend a day with their children at school. Hansen School families also have the opportunity to participate in a variety of after school programs: Boys and Girls Club and WINGS. In cooperation with our surrounding community, we continue our strong, positive relationship with the Tiger Woods Learning Center. Students in grades 4-6 have access to Music Masters.

It is the mission of Hansen School, through a partnership with parents and the community, to ensure every child masters their grade level standards-based curriculum in a nurturing and safe environment. Here at Hansen School, students are encouraged to be successful, lifelong learners, prepared to accept responsibilities and challenges that may present themselves in the future. The caring and supportive staff continues to maintain a safe and nurturing environment so that all students can be successful. All staff members at Hansen will continue the implementation of the Positive Behavior Interventions and Supports (PBIS) approach to student discipline. Our goal is to reinforce positive behavior and prevent discipline problems. Students are encouraged to display their Hansen P.R.I.D.E.- Polite, Respectful, Integrity, Determination, and Enthusiasm at all times.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The Savanna School District adopted the Benchmark Advance English Language Arts/English Language Development materials in the 2017-18 school year. It is in place in all K-6 classrooms. In 2016, we adopted the Houghton Mifflin, Go Math Series for K-6 students and it is in place in all classrooms. Both of these series are aligned to the Common Core State Standards. In the 2022-23 school year, the Savanna School District adopted the Amplify Science program, which is aligned to the Next Generation Science Standards. We adopted History-Social Science (Harcourt School Publishers) materials in 2007. We expect to pilot new Social Science materials as they become available. Health and Visual and Performing Arts are taught utilizing a variety of instructional materials and strategies.

School Facility Conditions and Planned Improvements

The staff of Hansen strives to maintain a clean and safe learning environment for the students. Assessments of the school's aesthetic and safety conditions are made by the principal on a monthly basis, and thorough quarterly inspections made by the District's Director of Maintenance, Operations, and Transportation. Custodians make routine, daily inspections of all exterior and interior areas of the school. As per SB550 all facilities are in good repair. Modernization projects were completed on the Hansen campus during the past several years as a result of the passage of Measure N at the November 4, 2008 election and Measure G at the June 5, 2012 election. Classrooms and office spaces were enhanced with new furniture, upgraded wall systems, energy efficient dual-paned windows, new energy efficient heating and air conditioning units, new plumbing, electrical, and upgraded roofing. Hansen School's heating and air conditioning units, lighting, security cameras, classroom projectors, and even irrigation systems are on energy management systems, controlled remotely to ensure that units do not run during times they are not needed. Preschool and before-and-after-school childcare programs were relocated to provide better access for parents during hours when the school office is not open. School security enhancements are multi-faceted and include perimeter fencing, security cameras throughout the campus, paging systems, emergency notification systems, enhanced fire alarm systems, and increased security lighting after school hours. The remodeled student restrooms are 'student friendly' with new plumbing and sewer lines, energy-efficient fixtures, and terrazzo flooring that will last at least another 50 years!

Regular maintenance projects take place to maintain the district's high standards of quality facilities. During the summer of 2014, the school playgrounds received 'extreme makeovers' with new age-appropriate equipment designed to promote physical fitness, large and small motor skills, balance, and upper-body strength for students. The poured-in-place rubber surfacing was designed to provide high levels of safety for students with minimal maintenance requirements. Regular maintenance projects take place to maintain the district's high standards of quality facilities. In the fall of 2015, work on a Technology Learning Center with 32 computers, a teaching station and flat screen monitors was completed. In the summer of 2016, a second Technology Learning Center with an additional 32 computers with flat screen monitors was added. In the summer of 2019, a third Technology Learning Center was added using the same standards as the others. During the summer of 2020, an Outdoor Learning Center, a new STEM Center, and additional upper grade and kindergarten restrooms were added to the Hansen campus. In fall of 2020, two additional lunch shelters were added to the campus to allow better spacing of students during breakfast and lunch times. While the use of technology to support the instructional program has long been a standard at Hansen School, each classroom has six desktop computers. In fall of 2021, a technology cart that includes a class set of iPads was added to each classroom. In 2023, Hansen School transitioned to having a District operated preschool on site.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	39	44	43	42	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

There are many opportunities for parental involvement, including, but not limited to the School Site Council (SSC). SSC is a ten-person council of parents, teachers, classified staff and the principal who monitor the implementation of the Single Plan for Student Achievement and generally act as an advisory and decision-making body for the school's many programs. The ELAC (English Learner Advisory Committee) consists of parents, one teacher and the principal. Parents are given the Parent Compact at parent teacher conferences in both English and Spanish to encourage parental involvement in our school. The PTA (Parent Teacher Association) is an integral part of the school's support services through their work as parent volunteers, as program fund-raisers, and as a school-parent communication resource. The Watch D.O.G.S. (Dad's of Great Students) program enhances safety and promotes male involvement at school. Dads, grandpas, and uncles are encouraged to spend a day with their children at school. In cooperation with our surrounding community, we will also continue our strong, positive relationship with the Tiger Woods Learning Center. Parents are invited to a special parent involvement/education event three times a year. All parents are kept informed of meetings and events with our Blackboard messaging system and our District Website.

2023-24 School Safety Plan

Hansen School has a School Safety Plan, an Emergency Preparedness Plan, and a Crisis Intervention Plan, all of which were updated and reviewed with the staff 8-5-22. These three documents cover all aspects of campus safety. The plans are on file and available to all parents as well as the general public. All safety plans are reviewed and updated on an annual basis in a public meeting. The goal is to ensure a safe and non-violent school environment. Additional safety measures include:

- Monthly drills held for fire, earthquake, and/or secure campus scenarios.
- Staff members trained and assigned specific responsibilities for emergency operations.
- CPR/First Aid/AED training opportunities available for staff.
- Emergency supplies, food, and water are located in classrooms and at strategic locations throughout the school.
- Perimeter fencing and security cameras.
- Identification and tracking procedure for visitors who may only enter the campus through the school office.
- School-wide paging systems and two-way radios in every classroom.
- School buses have onboard security cameras.
- State-of-the-art bus pass system that tracks students entering and exiting the school buses via bus passes.
- NaviGate Prepared Safety system.
