## DataQuest

## California School Dashboard

## Internet Access

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Holder School is a Transitional Kindergarten through 6th grade school, as well as the Preschool SDC Program for the Savanna School District. Approximately 475 students attend Holder School and they represent a diverse population. Approximately 56\% of the students are Hispanic, 10\% Caucasian, 12\% Asian, 8\% Filipino, 5\% African American, and 5\% Multi-Ethnic (NonHispanic). Approximately $32 \%$ of the students are English Language Learners. The staff is composed of 17 general education classroom teachers, a special education resource teacher, two full-time preschool Special Day Class teachers (Autism Focus) two full-time Special Day Class teacher for grades TK/K (Autism Focus), one full-time Special Day Class teacher for grades 2nd/3rd (Autism Focus), one-full time for grades 4th-6th (Autism Focus) two speech therapists, two full time psychologists, one psychologist intern, one school counselor and a nurse. Support services at the school include clerical, custodial, maintenance, and general and special education classroom instructional assistants.

Going beyond the classroom, in typical years, Holder offers a variety of programs to help students be successful. With the strong partnership of the City of Stanton, Buena Park and Anaheim as well as the North Orange County Task Force (NOC), Holder students and families have access to counseling, housing assistance/resources, childcare assistance (WINGS), and participation in the High School Bigs program, which provides mentors for students who need additional support. All Holder students participate in the Meet the Masters Art Program, which is one of the most comprehensive and fun art history, theory, and technique programs available. To challenge the high-achieving fourth through sixth grade students at Holder School there is a G.A.T.E. program (Gifted and Talented Education) as well as an opportunity to participate in the Music Masters Strings Program. Community partnerships with the Philharmonic Society, Boys and Girls Club, Cypress Community College, Cypress Police Department (P.A.C.E Program) and the Tiger Woods Learning Center provide additional enrichment opportunities for Holder students.

Holder School's Mission Statement: It is the mission of Holder School, through a partnership with parents and community, to ensure every child masters their grade level standards-based curriculum in a nurturing and safe environment. At Holder School students are encouraged, supported, and guided to be successful life-long learners, prepared to accept responsibilities and challenges that may present themselves in the future. Our caring and supportive staff continue to maintain a safe and nurturing environment so that all students can be successful. Our PBIS Mantra includes being Honorable, Accountable, Welcoming, Kind, and Scholarly - this encapsulates what we expect from all of our Holder Hawks and staff!

## A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The Savanna School District adopted the Benchmark Advance English Language Arts/English Language Development materials in the 2017-18 school year. It is in place in all K-6 classrooms. In 2016, we adopted the Houghton Mifflin, Go Math Series for $\mathrm{K}-6$ students and it is in place in all classrooms. Both of these series are aligned to the Common Core State Standards. In the 2022-23 school year, the Savanna School District adopted the Amplify Science program, which is aligned to the Next Generation Science Standards. We adopted History-Social Science (Harcourt School Publishers) materials in 2007. We expect to pilot new Social Science materials as they become available. Health and Visual and Performing Arts are taught utilizing a variety of instructional materials and strategies.

## School Facility Conditions and Planned Improvements

The staff of Holder strives to maintain a clean and safe learning environment for the students. Assessments of the school's aesthetic and safety conditions are made by the principal on a monthly basis, and thorough quarterly inspections are made by the District's Director of Maintenance, Operations, and Transportation. Custodians make routine, daily inspections of all exterior and interior areas of the school. As per SB550 all facilities are in good repair. Modernization projects were completed for the Holder campus during 2013-14 as a result of the passage of Measure $G$ at the June 5, 2012 election. A new Outdoor Learning Center was constructed, becoming the 'heart' of the campus where student success is celebrated. The school playgrounds received 'extreme makeovers' with new age-appropriate equipment designed to promote physical fitness, large and small motor skills, balance, and upper-body strength for students. The poured-in-place rubber surfacing was designed to provide high levels of safety for students with minimal maintenance requirements. In addition, classrooms and office spaces were enhanced with new furniture, upgraded wall systems, energy efficient dual-paned windows, new energy efficient heating and air conditioning units, new plumbing, electrical, and upgraded roofing. Our heating and air conditioning units, lighting, security cameras, classroom projectors, and even irrigation systems are on energy management systems, controlled remotely to ensure that units do not run during times they are not needed. Preschool and before-and-after-school childcare programs were relocated to provide better access for parents during hours when the school office is not open. School security enhancements are multi-faceted and include perimeter fencing, security cameras throughout the campus, paging systems, emergency notification systems, enhanced fire alarm systems, and increased security lighting after school hours. The remodeled student restrooms are 'student friendly' with new plumbing and sewer lines, energy-efficient fixtures, and terrazzo flooring that will last at least another 50 years!

Regular maintenance projects take place to maintain the district's high standards of quality facilities. In the fall of 2015, a Technology Learning Center with 30 computers, a teaching station and flat screen monitors was completed. In the summer of 2016, a second Technology Learning Center with an additional 32 computers with flat screen monitors was added. In the fall of 2021, work began on a third Technology Learning Center and a new STEM Center with flat screen monitors, white board walls and computers on the Holder campus. While the use of technology to support the instructional program has long been a standard at Holder School, each classroom has six desktop computers; in fall of 2021 a technology cart that includes a class set of iPads was added to each classroom. Work was completed on a new outdoor lunch shelter in January of 2022 to allow for better spacing of students during breakfast and lunch times. In the Spring of 2022, a new technology learning center and designated STEM center were added to the campus. In 2023, Holder School transitioned to having a District operated preschool on site.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

## Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

## College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.
Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2023-24 Opportunities for Parental Involvement

The School Site Council is a ten-person council of parents, teachers, classified staff and the principal who monitor the implementation of the Single Plan for Student Achievement and generally act as an advisory and decision-making body for the school's many programs. The ELAC (English Learner Advisory Committee) consists of parents, one teacher and the principal. The PTA (Parent Teacher Association) is also an integral part of the school's support system which parents are encouraged to join. In typical years, Parents work as volunteers, help raise funds for various school activities and also act as a school-parent communication resource. All parents are kept informed of meetings and events with our automated phone messaging system, our District/School Website, the school marquee, and the hard copy fliers we send home. In a typical year, opportunities for parental involvement include, but are not limited to, Back to School Night, Awards Assemblies, Parent/Teacher Conferences, Classroom and field trip volunteers, Fun Run and Field day volunteers and Flag Ceremony Performances, Open House, etc. In addition, parents have the opportunity to utilize online registration. Please contact the school office at 714-236-3840 for additional information.

## 2023-24 School Safety Plan

Holder School has a School Safety Plan, an Emergency Preparedness Plan, and a Crisis Intervention Plan. These three documents cover all aspects of campus safety. The plans are on file and available to all parents as well as the general public. All safety plans are reviewed and updated on an annual basis in a public meeting. The goal is to ensure a safe and non-violent school environment. Additional safety measures include:

- Monthly drills held for fire, earthquake, and/or secure campus scenarios.
- Staff members trained and assigned specific responsibilities for emergency operations.
- CPR/First Aid/AED training opportunities available for staff.
- Emergency supplies and food and water located in classrooms and at strategic locations throughout the school.
- Perimeter fencing and security cameras.
- Identification and tracking procedure for visitors who may only enter the campus through the school office.
- School-wide paging systems and radios in every classroom.
- School buses have on-board security cameras.
- State of the art bus pass system that tracks students entering and exiting the school buses via bus passes.
- Navigate Prepared Safety system.
- Blackboard parent notification system.
