

# SAVSD Student Programs

Students have access to all curriculum programs through Clever, a single sign-on application. Students have the choice to sign-in using a username or password or through the use of a Clever Badge (a personalized QR Code).

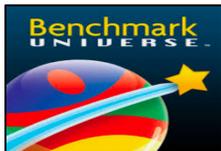

**CLEVER** URL: <https://clever.com/in/savanna>

Student Username: **Student ID Number**

Student Password: Birthday in the format of: **MMDDYYYY**

Clever Badges – Can be printed by the classroom teacher.

## Programs currently available to students in Clever:

### **Benchmark Universe:**

Benchmark Universe is the online component to our English Language Arts Curriculum. Within this platform, students can participate in customized lessons and assessments assigned by the classroom teacher.

### **GoMath:**

GoMath is the online component to our Math Curriculum. Within this platform, students can participate in customized lessons and assessments assigned by the classroom teacher.

### **Illuminate Student Portal:**

The Illuminate student portal is an assessment management system for students. Teachers can create and assign assessments for students to take in their portal. Once the assessment is graded, students can login to see their scores.

### **i-Ready:**

i-Ready Diagnostic & Instruction is an online, interactive learning environment designed to assess students and then provide individualized instruction based on each student's unique needs. Students take Benchmark Assessments in i-Ready three times a year.

### **MobyMax:**

MobyMax is a personalized online learning tool, which covers a variety of subject areas. Its' adaptive curriculum creates an individualized education plan for each student, allowing gifted students to progress as quickly as they like, while simultaneously ensuring that remedial students get the extra instruction they need.

**Renaissance Place:** Featuring Accelerated Reader, STAR Reading, and English in a Flash.

**Accelerated Reader:** a computer-based program used to monitor reading practice and progress.

**STAR Reading:** a computer-adaptive assessment that measure students' reading comprehension, achievement and growth.

**English in a Flash:** helps with developing vocabulary skills for English learners.

### **Typing Agent:**

Typing Agent is a program used to teach and reinforce keyboarding and mouse skills.
